

Here we come out of the gloomy grey of winter –
and into the most colourful Spring we've ever had!

This season's **BIG** news is about November and the
BIGGEST MACHINE EMBROIDERY event of the year –
*It's all About the Colour – a week of Zundt workshops
with our very own sewing superstar, Bernadette Shears!*

Book now for your class between Nov 12 and 16. It's five
days of flowers, cushions, bags, colour, colour and more colour.

And there's more:

- **Zundt Colourful Cushion Challenge – lots of giveaways!**
Create a cushion or pillow of any size or shape that shows
off your favourite Zundt embroidery design. Use your favourite fabric, any sewing technique and any special
touches you've been saving for a special project. Drop it into the shop before Thursday Nov 8 to be part of our
Challenge Display and Market, open 1-3 pm every day.
- **Dinner Party (Door Prize).** You're all invited to join us for dinner on Nov 15 (6pm) to celebrate our wonderful
week – location, booking details, costs, etc., are all in the enclosed poster and planner.

Perhaps you'll find the perfect fabric for your cushion in our special...

from August 31st to September 3.**
