

# May - August 2020

First we would love to say a massive thank you for everyone's support during the Covid 19 Pandemic. Due to government recommendations, our workshop aspect is suspended until further notice however Steve is still here servicing and repairing machines and we are happy to still have our retail section open under strict conditions.

850 Lower North East Road

[@melannsfabrics](https://www.instagram.com/melannsfabrics)

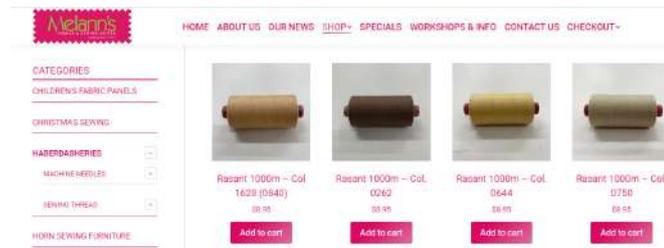

Keep yourself occupied by watching our YouTube channel or purchasing a machine embroidery kit

## IMPORTANT NOTICE

Unfortunately our usual workshop planner mail out advertising has been suspended due to the temporary halt in workshops. Before Covid 19, we had organised a full planner with new and exciting workshops, which you can still view on our website in the 'Workshops & Info' tab. We recognise your advanced payments for workshops and will carry them over once workshops resume.

## Online Shopping

During this isolation period, I have had stacks of time on my hands to start adding products to our website! First up is machine needles and some Rasant threads. The aim is to have the whole of Melann's available online for everyone to shop. Our website is: [www.melanns.com.au](http://www.melanns.com.au) or give us a search on Google.

## New in store

**Bobbin fill** - We now stock a new brand of pre-wound cardboard sided bobbin fill in black and white. \$44.80 per box of 144 or 35c each.

**100% cotton** - A selection of Tula Pink's 'Homemade' and Kaffe Fassett's Spring 2019 are now available at Melann's. We also stock a small range of black and gold metallic fabrics, some including bees and feathers. All these fabrics will make up beautiful quilts, bags, home furnishings or even clothes!

**Dressmaking fabrics** - Some NEW winter stock has arrived for you to prepare yourself for the cooler weather. Fabrics suitable for cardigans, jackets and long sleeve stretchy tops; all at Melann's for you to browse and purchase.

## Machine Specials

The virus has not halted our great savings on quality machines! Check out the great savings online our website now in the 'Specials' tab.

We are offering generous savings on our coverstitch machines, overlockers, semi industrial and domestic machines. Take advantage of these specials now before they end.

The team at Melann's are helpful in providing demos and further information on all machines in store. We offer free lessons, free service at 12 months and 5 year warranty with every machine purchase. You are welcome to reach us through a phone call, email or in store visit.

Thank you for being part of our Melann's family!  
We look forward to seeing you soon and stay safe.
